Shellfish Harvesting Area Classification-Notification of Changes

7/22/2016

Ladies and Gentlemen:

Under the authority of Maine statute 12 M.R.S.A., Chapter 607, Section 6172; the Commissioner has made the following classification change to Area No. 36-F, Islesboro: This change reclassifies the Restricted area at Seal Harbor to Approved based on water quality meeting the approved standard. All existing pollution and red tide/PSP closures remain in effect.

The boundary descriptions of the area are as follows (struck text is being removed and underlined text is being added):

A. Effective immediately, because of pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters or mussels from the shores, flats and waters of the following Prohibited area(s):

1. Grindle Point; South and east of a line beginning at the south tip of Grindle Point and running southwest to the USCG N"2" navigational marker; AND north of a line beginning at the USCG N"2" navigational marker, running east to USCG N"6" navigational marker; AND west of a line beginning at the USCG N"6" navigational marker, running north to the granite pier on the mainland, locally referred to as Watt's pier.

2. East of a line beginning at the southwest tip of Sherman Point, running south to the west shore of Thrumcap, then south to the prominent unnamed west point on Pendleton Point, then to the south tip of Pendleton Point; AND west of a line beginning at the south tip of Pendleton Point running northeast to Gull Point; then north to Hewes Point, then north to USCG N"2" navigational marker; AND south of a line beginning at the USCG N"2" and running west approximately 950 yards to a prominent unnamed point of land inside Islesboro Harbor.

3. West of a line beginning at the south end of Fire Island, running northeast to the south tip of The Bluffs; AND south of a line beginning at the south tip of The Bluffs running west to the north tip of the unnamed point at the end of Ryder Cove Lane.

4. Seven Hundred Acre Island, West of a line beginning at the end of a prominent unnamed point on the north side of Cradle Cove, running southeast to the end of the prominent stone pier on the east point of Cradle Cove.

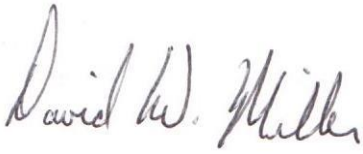

~~B. Effective immediately, because of pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters or mussels from the shores, flats and waters of the following Restricted area(s) without a special MDMR permit:~~

~~1. Seal Harbor: North of a line beginning at the south tip of Keller Point and running east to a red painted post on an unnamed point of land on the opposite shore.~~
